Hi Rose - Linda King spoke with me by phone the other day from Colorado to say she could no longer participate on the BZA so she could care for her ailing mother who has cancer. Her mother is over 80 years old. Linda was very apologetic and sad to have to resign her position. She stated she had enjoyed her time on the Board and believe the work of the Board is significant and a major service to the citizens of Alexandria. She hopes the Council will consider her for reappointed to the BZA when she returns to the City. Peter

Hon. Mark Wilkoff
Chairman, School Board
Alexandria City Public Schools
4658 Kirkpatrick Lane
Alexandria, VA 22311

Dear Mark,

As I informed you this morning by telephone, I will be joining the City staff as the Director of the Office of Management and Budget effective October 6, 2003. That means that I must resign my position as the School Board's representative to the City Council's Budget and Fiscal Affairs Advisory Committee effective immediately.

It has been my great pleasure to serve the School Board, the City Council, and the citizens and children of Alexandria in this capacity for nearly seven years. It was a lot of work at times, but it was very satisfying too. I felt I had an opportunity to make a difference in some small, but important ways. Many times it also was simply a lot of fun!

Obviously, I will continue to serve all of the above in my new position. But I will look back on my service on "BFAAC" as a tremendous opportunity for me to learn about the issues facing the City and the school system. My hope, indeed my expectation, is that I will continue to have a constructive and mutually advantageous relationship with you, the School Board and the staff of the ACPS in my new capacity. Please don't hesitate to contact me on any issues or problems that you may have. I want to keep the lines of communication as open as possible.

I give my best wishes to you and Linda.

Sincerely,

Bruce Johnson

Subject: resignation of Patrick Reilly

Please be advised that Patrick Reilly has notified me that he is resigning from the Alexandria Commission on Persons with Disabilities effective immediately. He cited personal and family reasons. Would you please remove his name from the ACPD roster and proceed with advertizing the position as vacant.

Thank you for your assistance.
